Local Government Representation Review Committee,
Delivered via email at:
submissions@lgrr2026.com.au

Dear Members of the Local Government Representation Review Committee,

RE: Submission of Roper Gulf Regional Council

On behalf of Council, I confirm that Council considered your Presentation as delivered on 25 August 2026, and subsequently deliberated the upcoming Local Government Representation Review at its Ordinary Meeting on 26 August 2026. Council Resolved as follows:

*" **2026/129 RESOLVED (Councillor John DALYWATER, Councillor Sue EDWARDS) (Carried, Unanimous)***
That Council:
(a) Receives and notes the Local Government Representation Review Report;
(b) Believes current representation numbers of Elected Members is adequate;
(c) Identifies the Community desire for Ward name and boundary review; and
(d) Requests an extension of the submission period to allow for fair and meaningful local consultation, with twelve (12) months being a realistic time-frame ."

In light of the above, I formally ask the Committee, on behalf of Council, to extend the submission period by twelve (12) months so as to enable meaningful, local consultations to be undertaken.

If you have any questions about this request or Resolution, please contact Cristian COMAN, Manager Corporate Compliance via email at [redacted] or via telephone on [redacted]

Yours sincerely,

[redacted]
